

## HOT 2015 – Road Cruise Info

### **Cruise #1**

To City of Llano: Total driving time is about 1 hour 45 minutes (87 miles); 50 minutes there (40 miles), 55 minutes return (47 miles).

For this run, we recommend stopping for lunch at one of several restaurants in Llano (These are some of the recommended, but check Trip Advisor for a bunch more!):

- Cooper's Old Time Pit Bar-B-Que, 505 W Dallas Street
- The Badu House (beer, wine, burgers, more), 601 Bessemer
- Juan Burrito (xlnt burritos, of course), 101 E Main Street
- Berry Street Bakery/Café, 901 Berry Street
- Inman's Kitchen (BBQ- better than Cooper's?), 809 W Young Street
- Tommy's Mesquite-Flamed Pizza, 312 Bessemer
- Rosita's Mexican Rest., 101 E Grayson Street

### **Cruise #2**

Longhorn Caverns: Total driving time is about 35 minutes (42 miles), 20 minutes there (23 miles), 15 minutes return (19 miles).

This is a shorter drive, so you will have plenty of time to take a tour of the Caverns, if you want. If you decide to do this, call well in advance to book a spot as they have limited times & space (they allow up to 40 people at a time). They have a café on site, with a limited menu, so if you want to have lunch there, make sure you let them know that as well when you book your tour. They have Hamburgers & Hot Dogs for \$8.49 (with fries & a drink), and an excellent Captain's Box Lunch for \$7.49.

The tour prices are:

Group of 20 or more people - \$12.00 per person

Adults (up to age 59) - \$16.00 per person

Seniors 60 & above - \$15.00 per person
